WE WEREN'T SISTERS FROM BIRTH  
BUT WE KNEW FROM THE START  
WE WERE PUT ON THIS EARTH  
TO BE SISTERS AT HEART.

*The people you've chosen to be in your bridal party  
are your closest friends and your loving family.  
Show how much you appreciate them by gifting them  
with a beautiful piece of jewelry that will always  
bring back fond memories of your special day.*

## A FEW HINTS IN MAKING YOUR SELECTION

- 💡 The gifts you choose don't have to be expensive. They should simply be a beautiful token of your gratitude.
- 💡 You also don't have to give the same thing to each bridesmaid or groomsman. You should choose pieces that match the style and taste of each recipient.
- 💡 What you choose often can be personalized with initials, birthstones or an engraved message. Personalization makes a gift much more memorable.

The jewelry pieces we've selected have been carefully chosen to make your journey easier. Each one has a history of being enthusiastically received whenever given.

A close-up, profile view of a woman with blonde hair pulled back, looking slightly to the left. She is wearing a white lace dress. Her jewelry includes a pair of square-cut sapphire earrings with a diamond border and a matching necklace with a square-cut sapphire pendant and a diamond border. The background is a soft-focus blue and white pattern.
